Dear Math Team Coach,

Enclosed is your copy of the Fall, 2007 NYCIML contests that you requested on the application form.

The following Fall, 2007 questions had different answers accepted than the given one from the competitions or were poorly worded.

	<u>Question</u>	<u>Correct answer</u>
Junior	F07J9	eliminated. The problem should have read "the equation has two equal roots"
Soph Frosh	F07SF4	poorly worded The problem should have read " no 3 lines intersect at one point"
Soph Frosh	F07SF14	360 or 720 were accepted. It should have read "positive integers".

Have a great spring and summer!
MATH IS # 1

Sincerely yours,

Richard Geller

Secretary, NYCIML
