Dear Math Team Coach,

Enclosed is your copy of the Spring, 2007 NYCIML contests that you requested on the application form.

The following questions had different answers accepted than the given one from the competitions.

	<u>Question</u>	<u>Correct answer</u>
Junior	S07J15	1 or 121 was accepted. The problem should have read "the smallest positive integer greater than 1"
Soph Frosh	S07SF6	17 or 0,17 were accepted. The problem should have read " $r > 0$ "

Have a great spring and summer!  
MATH IS # 1

Sincerely yours,

Richard Geller

Secretary, NYCIML
